ASTRUM MEDICAL

Guaranteed 1 hour wait time or less.*

MISSION STATEMENT

Less Time Waiting.
More Time Healing.

**Applicable to ASTRUM Urgent Care members only. Walk-in wait times may vary.*

Our Concept

At Astrum Medical, we're dedicated to delivering a seamless, patient-first urgent care experience that **eliminates long wait times** and provides rapid, expert medical care when you need it most.

Guaranteed short wait times and **24/7 access** to our specialist team, including **consultant led physicians and trained surgeons**.

THE DILEMMA

Long wait times.

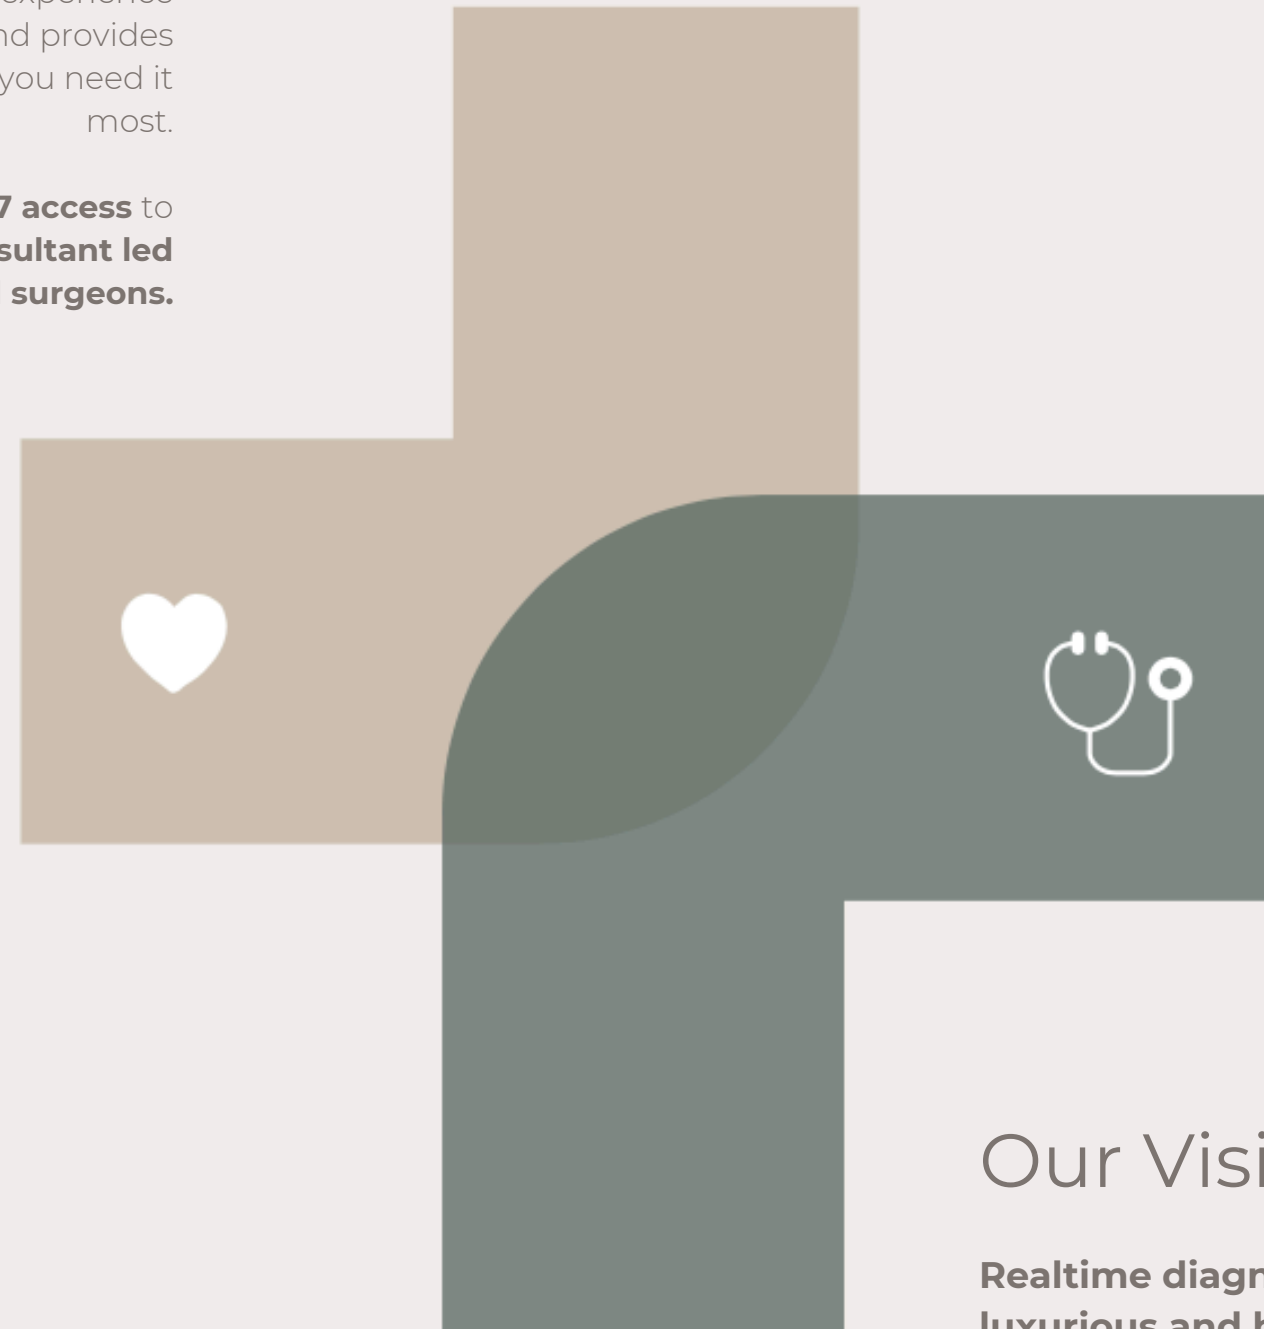

Public healthcare is overwhelmed, with delays in appointments, diagnostics, and treatment.

Limited access.

Private healthcare can be costly, with complicated access and slow diagnostic processes.

Unreliable service.

Patients are left waiting, suffering with low-quality care that impact their health and wellbeing.

Our Vision

Realtime diagnostics and treatment in a luxurious and homely setting.

Bridging the gap between public healthcare delays and inaccessible private options.

Brand Pillars

Swift Emergency Care

We pride ourselves on our commitment to guaranteed short wait times for both diagnosis and treatment.

Our average wait time to see a physician is significantly lower than our competitors, ensuring you receive the care you need when you need it most.

Consultant Level Medical Care (With Trained Surgeons)

At Astrum, we combine expert, consultant-led, medical care with efficiency and compassion. Our certified emergency physicians and doctors include experienced plastic surgeons and other specialists.

Dedicated to delivering fast, precise care for minor injuries, burns, and trauma, trust us to prioritise your safety, comfort, and recovery.

Immediate Diagnostics

Equipped with state-of-the-art technology, our diagnostic services are designed to provide quick, accurate results. Whether it's AI, imaging, or blood work, we prioritize speed without compromising on the quality of your care.

Fast diagnosis means fast treatment, ensuring you're back on your feet as quickly as possible.

24/7 Access

Our specialist team will be available around the clock, anytime of day or night, offering their expertise in a wide range of medical scenarios.

After-Care

We follow a patient-centric approach, which includes follow up care and preventative treatment. Your comfort and health are our top priority.

Urgent Care Services

Astrum offers a full spectrum of urgent medical services, from minor injury management to real-time diagnostics and specialist referrals.

Stitches & Sutures

Plastic surgeon level wound closure to promote optimal healing and reduce scarring.

Head Injuries & Trauma

Evaluation and management of non-critical head injuries.

Private Prescriptions

Instant access to essential medications anytime, unlimited for members.

AI-Driven Diagnostics

Real-time in-house diagnostics for fast, accurate results.

Fractures & Breaks

State of the art onsite imaging and expert assessments for accurate diagnosis.

Travel & Routine Vaccinations

Vaccines for all flu, travel, and routine health needs.

Burn & Scalds Care

Immediate treatment for first and second-degree burns.

Blood Work & Testing

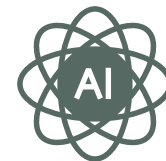

Comprehensive testing for health monitoring and prevention.

WHAT MAKES US DIFFERENT AT **ASTRUM**?

Real-Time Diagnostics & Swift Treatment

Our advanced diagnostic tools deliver rapid, accurate results to ensure patients get the answers they need when they need them most. With Astrum, there's no waiting—just solutions.

AI-Enhanced Care & State of the Art Technology

We integrate the latest artificial intelligence advancements to analyse data, predict outcomes, and customise treatment plans. This approach redefines what's possible in modern healthcare.

24/7 Access & Up-time

Day or night, our team is equipped to provide expert advice and diagnostics at a moment's notice. With Astrum, help is just a click or call away.

A medical haven, offering expert efficient care in a serene and exclusive setting.

Dr Vahe Karimyan (MD, MS, PhD)

MEDICAL DIRECTOR, CO-FOUNDER

Dr. Vahe Karimyan is a highly respected consultant plastic and reconstructive surgeon with extensive experience in complex surgical procedures and a strong commitment to advancing modern medical care. He currently practices at King's College Hospital NHS, while also serving as a Visiting Lecturer at Imperial College London.

A member of prestigious professional bodies including the British Medical Association (BMA), the German Society of Surgery, and the American Society of Surgeons, Dr. Karimyan is recognised for his dedication to excellence in surgical precision and patient care. His areas of surgical expertise include reconstructive procedures, face and body rejuvenation, and advanced non-surgical interventions.

Dr Nagi Barakat

HEAD OF PAEDIATRICS & MEDICAL PARTNER

Dr. Nagi Barakat is a globally renowned consultant paediatrician and leading expert in paediatric neurology. With a distinguished career, including serving as Libya's Minister of Health and authoring eight books for the Royal College of Paediatrics and Child Health (RCPCH – membership exams), Dr. Barakat is a pioneer in medical education and child health.

Practising at top institutions like Great Ormond Street Hospital, The Portland Hospital, Bupa Cromwell Hospital, and St Mary's Hospital Paddington, he specialises in epilepsy, neurodisability, developmental delay, and general neurological conditions. Dr. Barakat offers advanced diagnostics, including EEGs (standard, 4-hour, and 24-hour), home video telemetry, and MRI scans under anaesthesia, ensuring precise, compassionate care for children of all ages.

ASTRUM AESTHETICS

WHERE BEAUTY MEETS EXCELLENCE

Nestled within our prestigious Knightsbridge clinic, Astrum Aesthetics seamlessly complements our exceptional Urgent Care services.

As an Astrum Urgent Care member or patient, you're invited to experience an array of medical, surgical, and non-surgical cosmetic treatments.

At Astrum Medical, our expert team redefines the art of aesthetics. Led by the globally celebrated Dr. Vahe, a true pioneer in the field, our Knightsbridge clinic stands as a beacon of innovation and excellence.

From subtle enhancements to transformative care, we set the gold standard in cosmetic perfection—tailored just for you.
